McKenzie Korte “Mac” was welcomed as the new Executive Director of Mahaska County Historical Society and Nelson Pioneer Farm and Museum, 2211 Nelson Ln, Oskaloosa. With his background in museum education and management he makes an excellent choice to fill the position to be vacated by Margaret Spiegel. Korte is from Rhode Island but has extended family in Mahaska County. Mac indicated Nelson Pioneer Farm and Museum is a “rare find” for a city of this size compared to those museums found throughout New England—something we should be very proud of. They (Korte & Spiegel) are most excited for the new display taking over the lower level of the museum—Weaving Creativity AND Legacy of Patriotism and Service. Both are made possible with over \$150,000 in donations. Watch for the grand opening in April. Join the Historical Society now to see this display in April before it opens to the general public on May 1, 2024. For more information call 641.672.2989.
