## Chamber Scholarship Applications Available

High school seniors living in Mahaska County and attending any high school are eligible to apply now for a Chamber Scholarship sponsored by the Mahaska Chamber & Development Group. Information is available from one's school counselor or the web at <https://www.mahaskachamber.org/resources/scholarships/> where you will find a link to the fillable form. Scholarships are sponsored by area businesses and industries. Last year \$25,000 was distributed to 23 students.

The application requests such information as participation in school and community activities, as well as a short essay. Be prepared with a pdf of your transcript. On-line applications and school transcripts are due no later than Saturday, April 1, 2024.

"Businesses and individuals are encouraged to contribute to the scholarship fund as well. Our giving remains constant, but we would encourage more. Students are already asking for the application. It's important to support our youth and make it easier for them to attend college," Deb Bruxvoort stated. "Perhaps you can contribute financially to the fund, or perhaps participate in the annual Chamber Golf outing set for Friday, May 10. The golf outing raises additional funds for scholarships."

The Chamber Scholars program, now in its 28th year, continues to partner with "52577 Scholarship". Contributions to the program are tax deductible and can be made in any amount. If one chooses to donate \$1,000 it will be awarded this year. If one wants to contribute to the perpetual scholarship fund through "52577", any amount may be donated to be used in future years.

For further information to apply or to contribute to the fund contact the Mahaska Chamber at 641.672.2591 or email [dbruxvoort@mahaskachamber.org](mailto:dbruxvoort@mahaskachamber.org).
